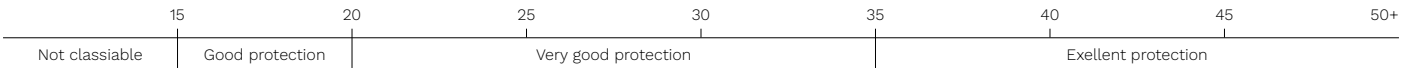
Pilling test- Martindale	UNI EN ISO 12945/2	Cycles: 7.000	Value: 5
Drop test	UNI EN 249210	*	
Spray test		*	
Care labelling symbols			

UPF Rate value ①



Important advise and remarks

1. The combination of different colors and fabrics in the same garment may be extremely critical for color fastness, please ask to Borgini Jersey if is possible to be realized.
2. We suggest to test the fabric, according to your specific end use, before any treatment or application other thancutting and sewing.
3. Please remark in the care instructions of the garment not to use softeners.
